

**Thurston**<sup>™</sup>  
Manufacturing Company

## **MAINTENANCE**

Maintenance is responsible for keeping all manufacturing equipment operational. This includes all production machines, forklifts, and other shop and office equipment as well as maintaining the facilities, including lights and other general maintenance. Electrical experience is required.

## **GENERAL FOR ALL POSITIONS:**

In General, most positions on the manufacturing floor, including welding, fabrication, paint, assembly, and shipping will require the following:

Occasional lifts of up to 50 lbs and up to 80 lbs on rare occasions. Weights exceeding 80 lbs are lifted by overhead crane, hoist, or fork lift. Responsible for minor maintenance of the equipment and work space such as cleaning and ensuring, in general, proper care of the equipment.

Temperatures of the indoor work environment range from 50-100 degrees Fahrenheit. Work schedules range from 8-11 hours per day and 4-6 days per week depending on workload and shift. Workers are provided with two, 15 minutes breaks and a mandatory 30 minute lunch period, each day. The following personal protective equipment (PPE) is generally required when working on the production floor: Steel toed boots, leather gloves, safety glasses or other approved eye protection, and hearing protection. The company provides all PPE except steel toed boots, the employee is responsible for his/her own.

This is a generalized summary only, a complete list of tasks for each position is available upon request and will need to be signed by each employee prior to starting employment with TMC.
